

# Liquefied Propane Gas Tanks

9a

This intake checklist identifies minimum application elements necessary for the City of Bothell to accept the application. Should any of the following minimum items not be provided, the application will not be accepted at the counter. Acceptance of an application deems the application complete.

**Two (2)** complete plan sets and **Three (3)** copies of site plans. Construction details are required (all drawn to scale. Construction plans are to be drawn to 1/8 inch = one foot, minimum).

This checklist applies to installation of any propane tank with a gross weight over 400 pounds or 70 gallons. Submittal fees are due at intake.

## Development Services permit application per BMC 11.06.002

An application shall consist of all materials required by the applicable development regulations for the specific permit(s) sought, and shall include the following general information:

| Applicant  | Staff                    |
